

Kansas Shorthorn Junior Field Day

Saturday, July 20, 1974, 9:00 a.m.

Kingman Fairgrounds

Kingman, Kansas

SPONSORED BY

KANSAS STATE SHORTHORN-POLLED SHORTHORN ASSOCIATION

9:00 a.m. Judging

12:30 Lunch

1:30 Lassie Program

2:30 Presentation of Trophies and Awards

JUDGE FOR THE SHOW: Dr. Bill Able, K.S.U., Manhattan, Kansas

A representative from the American Shorthorn Association will be on hand.

Kansas State Shorthorn and Jr. Shorthorn Associations are giving a total of \$1,295 in cash prizes and gift certificates. These gift certificates may be used in any State or District Sale in Kansas (including the commercial calf sales). In the first class, the entries will be in pairs-Shorthorn steer and heifer combination. Gift certificates will be given for the first three pairs in this class. First Place-\$100 gift certificate;; Second Place-\$75 gift certificate; Third Place-\$50 gift certificate. Animals in the top three placings in this class are not eligible for any other prizes. The second class will consist of Shorthorn Cow-and-calf entries. The calf must have been born after January 1, 1974. The first nine pairs in this class will receive awards. They are, in order, \$50 gift certificate; \$25 cash; \$15 cash; \$10 cash; and five awards of \$5 each. None of the animals winning awards in this class will be eligible for further competition. Shorthorn steers show next. There will be three classes of steers divided according to weight. Prizes for each steer class are the same as for the above cow-and-calf class. Shorthorn females show last. First class of females will be those born after July 1, 1973. The second class will be spring yearlings, 4/1/73 to 6/30/73. The third class will be Junior yearlings, 1/1/73 to 3/31/73. Fourth class of females will be senior yearlings born in 1972. Prizes for each female class will be the same as above cow-and-calf class.

Trophies will be awarded by area business firms for best steer and heifer pair, best cow-and-calf pair, champion steer and the champion heifer. There will be a Showmanship Trophy awarded also.

The Junior Shorthorn Association will have a class for each steer and heifer bought in the Junior club calf sale last fall in Hutchinson. They will give a trophy for best steer and heifer purchased in their sale. Also, next four placings will receive cash awards.

Any boy or girl eligible for 4-H or F.F.A. membership may compete in this show. Pedigrees showing ownership by the exhibitor must accompany all females. Heifers eligible for the show must have been transferred in the exhibitor's name by May 1, 1974. All entries must be shown by their exhibitor except in case the exhibitor has more than one animal in the same class. In such case, the additional entries must be shown by other eligible exhibitors. Animals may not be removed until the afternoon program is finished. Health papers must accompany females, showing all to have been tested for tuberculosis after June 20, 1974 and must have been officially calthood brucellosis vaccinated or have passed a negative brucellosis test after June 20, 1974. No requirements on steers. There is no limit on the number of consignments for a boy or girl. Animals may be brought in the day before the show. Straw will be furnished.

The Kansas Shorthorn Association, its officers, directors, and committees involved, will make every effort to make a safe and enjoyable day for everyone, but will not be responsible in case of accident or personal loss. This will be an enjoyable day for the whole family. Be sure to come. Everyone is welcome.

Entries for this show should be sent to Bill Scott, Secretary, Ransom, Kansas by July 15, 1974.

There will be a showmanship contest at 8 p.m. July 19. This will be open to all Juniors. The Junior Association will hold their meeting following the showmanship contest.

LASSIE NEWS

Please bring cookies, sweet rolls, brownies, or similar items (each wrapped individually in saran wrap) to be sold at the Lassie concession stand on Field Day.

Have you paid your 1974 Lassie dues? If not, now, while you are thinking about it, would be a good time to get that in the mail to Mrs. Harry Krug, Russell, Kansas 67665. We need your support. The money will be used to buy awards for the 4-H division at our State Fairs, also to help send our Kansas Lassie Queen to Denver in competition for National Queen.

Our Shorthorn Lassie Queen, Debbie Crockett, had surgery on June 5. She is now at home but would appreciate cards or letters. Her address is Kinsley, Kansas 67547.

See you at Kingman July 20.

Juanita Nagely, President

JUNIOR NEWS

The Junior Association will have a showmanship contest the evening of July 19, at the Field Day, at 8 p.m. There will be junior and senior divisions. We will have our meeting following the contest.

Mr. and Mrs. Marshall Stauffer will be sponsoring our delegates to the National youth conference June 28, 29, 30. Delegates are Ed Entz, Debbie Crockett. Also attending will be Jay Selanders and Diana Crockett.

Don't forget the National Heifer Show, Columbia, Mo., July 10.

K.S.A.

Have you made your selections for the State Sale this fall? You should have them picked now and set aside for that sale. It pays to consign your best. Entries will be due Sept. 15, 1974.

HAVE YOU PAID YOUR 1974 DUES? NOW IS THE TIME TO GET THAT DONE.

KANSAS SHORTHORN "WORKSHOP" SCHEDULED

A four-day, Shorthorn-Polled Shorthorn, farm visitation project is being planned in Kansas for late July or early August. A "work-shop" meeting will be held on the final day possibly in Salina, to analyze visitation impressions, to give breeders the opportunity to air their views, and to chart future promotional and expansion projects for the state.

A team of A.S.A. fieldmen will divide the state into visitation areas. Every herd that has recorded cattle within the past year will hopefully be visited.

This is a pilot project, and if the overall results are as expected, it will be expanded to other states. Watch for Dates for this effort. If you miss the dates, please contact Bill Scott, Ransom, or the A.S.A. office Omaha.
